First announcement
Zilele Medicale Orădene

26 years of medical education at the University of Oradea.

It is my great pleasure to announce you that the scientific session "*Zilele Medicale Orădene*" will take place between 23th and 25th of November 2017, at the Faculty of Medicine and Pharmacy.

On this occasion, we will celebrate the medical, pharmaceutic and dental university education that take place in Oradea.

Scientific sessions are full of topical information and relevant to current and future medical practice.

The conference will be accredited with CME (continuous medical education) and CFE (continuous pharmaceutic education) points.

We look forward to see you,

Dean,

Univ.prof. Adrian Marius Maghiar
